| <p>DAY 3 0600hrs 0700hrs 0900hrs</p> | <p>Breakfast at hotel</p> <p>Assemble at lobby</p> <p>Golf at Firestone Golf club Firestone is tough. The landing areas are not particularly generous and the greens feature some wicked slope. The front nine holes are not a naturally beautiful stretch of holes but are made more attractive by a good use of water and landscaping. The undulating back nine winds its way through a valley and are, in my opinion, the better of the two. From the blue tee the course measures in excess of 6,500 yards - long for recreational golfers.</p> |  |
